

Screener | Checking in on America

Teaser

Hey America, how's it going? We know it's been a big week.

Our country is working through a lot of opinions and emotions about our new president-elect and our nation as a whole. How is this impacting you? We want to know what you're thinking and how you're feeling no matter which side you're on.

In this special dscout project we will follow the months after the presidential election through the thoughts and emotions of real Americans. For the people, by the people. If you're selected, we'll ask you to document your personal journey leading up to the inauguration in January. We hope this mission will provide a place to reflect on your experiences, and share your point of view. In the application you'll need to record a video.

Mission 1 | Check-In: We the People

Overview

Welcome to the “We The People” project! This is your check-in mission, one of two missions in this project.

Over the the next 10 weeks, we will check in with you every 2 weeks to ask for a quick reflection entry. We'll ask how you're feeling about the President-elect and our nation as a whole. In addition to this check in mission, you will be invited to complete a moments mission that requires you to submit entries every week until Jan 25. Read below for more important instructions.

Instructions

WHEN:

We'll send you a message every other Wednesday to ask for a quick reflection entry. Each time, you'll answer a few questions and take a 60 second video. The moments you share in the other mission will help us get a sense for your day-to-day feelings and experiences, while this mission is your place to reflect.

You can expect to get a message reminder from us on the following dates: Nov 16, Nov 30, Dec 14, Dec 28, Jan 11 and Jan 25. Each time, you'll have a few days to submit your check-in entry.

It's important that all of your photos and videos are well-lit, in focus, and capture thoughtful material! Don't forget to speak up!

This is a special project, so we want to mark your participation with a special reward. For each scout who completes the project, dscout pledges to donate \$50 to Homes for Our Troops (<http://www.hfotusa.org/mission>). Our donation goal is \$3,000! Homes for Our Troops (HFOT) is a nonprofit organization that builds specially-adapted homes nationwide for severely injured veterans, most of whom have sustained multiple limb amputations, partial or full paralysis, and/or severe traumatic brain injury. HFOT has received Charity Navigator's highest rating of 4 Stars every year since 2008. Charity Watch has awarded HFOT an A rating and included them on its list of Top-Rated Military & Veterans Charities. dscout will donate \$50 for each scout completing the project, up to our \$3,000 goal!
